Omar Hany Abdul-Maaboud

has successfully completed the online Professional Certificate

Intuit Academy Bookkeeping

Whether you are starting out or looking for a career change, the Intuit Bookkeeping program prepares you for a variety of jobs in public accounting, private industry, government, and non-profit organizations. You've gained a foundational understanding of accounting principles and an introduction to QuickBooks Online through hands-on practice working with real-world accounting scenarios. Upon completion, you'll be ready to take the Intuit Academy Bookkeeping exam and can stand out for roles like Associate Bookkeeper at Intuit or anywhere in the field when you earn your Intuit Academy Bookkeeping Badge.

This certificate attests to the learner's completion of an online program delivered via Coursera. It does not constitute formal enrollment at any university or entity and does not itself grant academic credit, grades, or a degree. Institutions or organizations may, at their discretion, recognize this learning toward their own programs or credentials.
